WHAT BRIDES HAVE TO SAY

MORGAN

Jess and her team were fabulous my wedding weekend. All of my bridesmaids looked gorgeous hair and makeup wise and Jess was a pleasure to work with.

BETH

Jess and her team just did my hair and makeup for my wedding two weeks ago, and also for all 13 of my bridesmaids, and moms. She was absolutely incredible.

RHEANNA

HIRE JESSICA BONILLA NOW! Her work is flawless. You show her a photo and she nails it every time! It also took her like 2 seconds to do a perfect winged eyeliner, like what?! Also booking her is so effortless.

INDIA

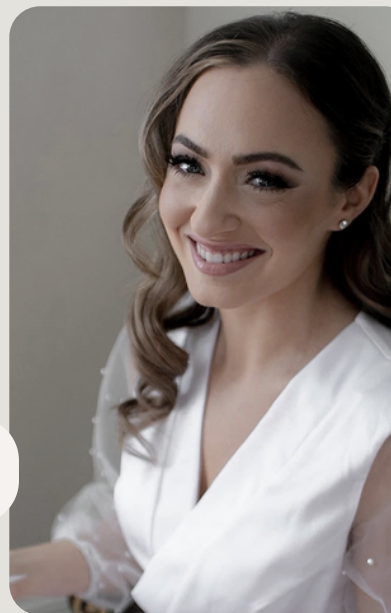

I am beyond thrilled with the exceptional service provided by Jess on my wedding day. She is truly amazing and what impressed me was her ability to cater to the diverse hair types and styles of my bridesmaids, mother, and mother-in-law.

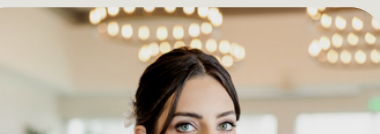

MARIA

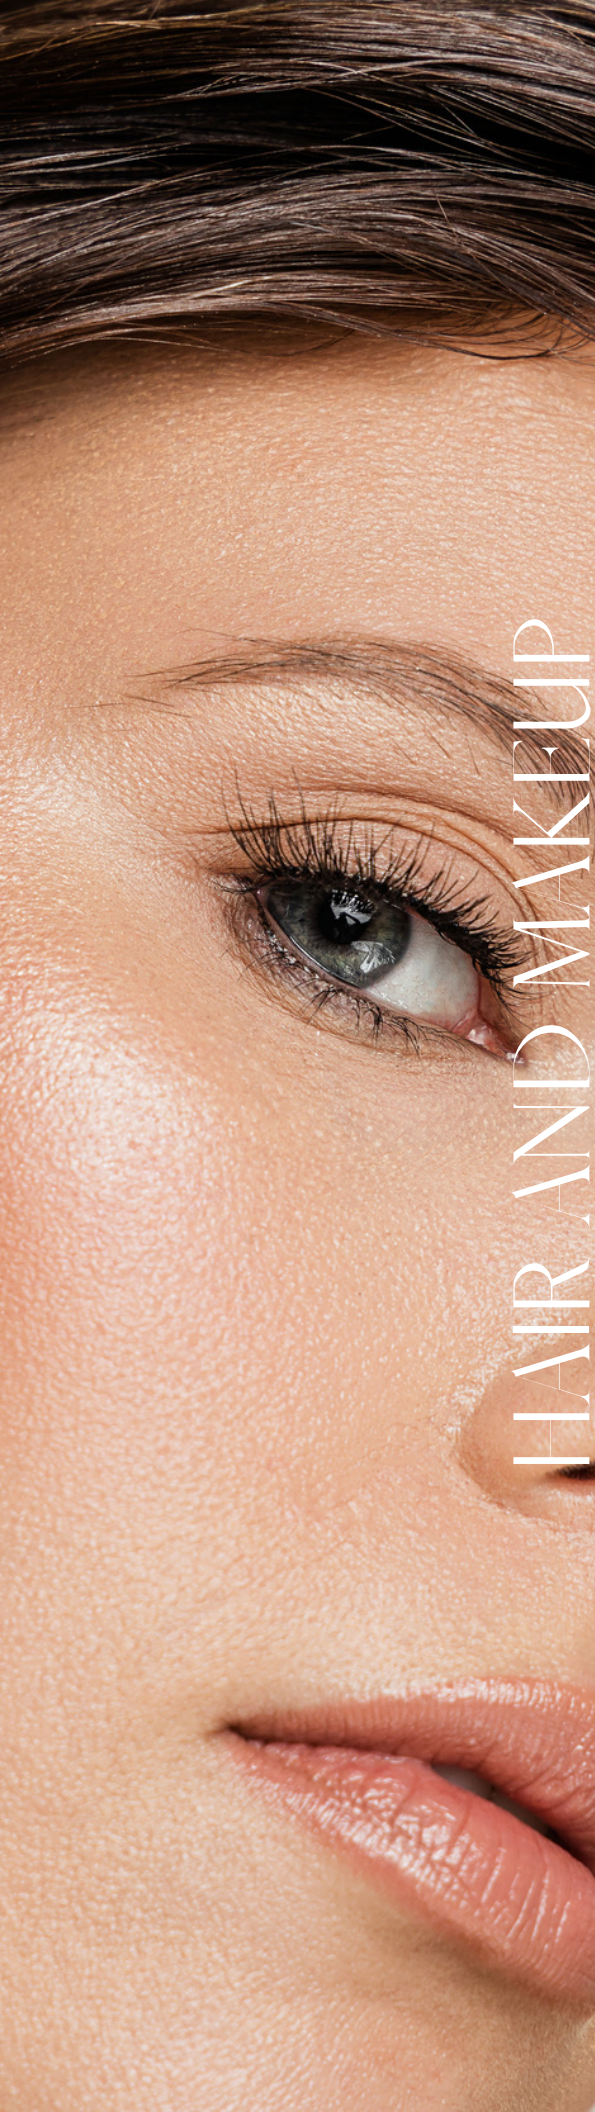

I cannot emphasize how fantastic Jess and her team are. I found her work on social media and reached out to her after my original hair and makeup artist became unresponsive. She answered all my questions before booking and was just as attentive and responsive afterwards. I
